Lighting Design & Director of Photography

1005 Victoria Avenue, Saskatoon, SK, S7N0Z7 Mobile 306-220-3180 Email daftfilm@shaw.ca

My experience within the film and television industry over the past 20 years has been diverse and engaging. I pride myself in using lighting as my brush and the stage as my palette. In the industry, I have an excellent track record of satisfying my clients and working well under pressure with a friendly disposition. I have a reputation of being a creative force with the desire to collaborate along side other working professionals. I look forward to adding my expertise to this creative design team.
